

Dear Friends & Ministry Partners

“Jesus did many other miraculous signs in the presence of His disciples (in India), which are not recorded in this book (news letter). But these are written that you may believe that Jesus is the

Christ, the Son of God, and that by believing you may have life in His name.”

John 20:30, 31

Siliguri, India Report:

I am happy to report that **Alan Brock** our new American DCI Rep. and I arrived home safely from our trip to India. The Icelandic volcano did try to threaten a repeat performance to what I experienced last year when I was held up for 2 weeks in Nairobi, Kenya, but nothing came of it so I arrived home as planned. Thank you for your prayers!

It was a wonderful opportunity to be able to spend quality time with **Peter and Moala Kashung** and their team of **54 Staff and DCI Trainers** who work through their various Church Planter Training Centres plus 54 local Pastors.

The regional Training Centre Directors each reported on their ministries and I have tried to share just a brief summary of their reports so you can rejoice with us in the wonderful results they are seeing as they train many people through over 3,000 churches that they have planted over the last several years using the DCI strategy and materials.

DCI Tamil Nadu, South India:

John Muthuraja reports: *“We have trained 501 Disciples in 36 churches, 16 House Churches have been planted.”* One Pastor says, *“These DCI books are useful to church believers, because they teach the truths from the Bible step by step and how to grow spiritually and it makes them good leaders in Christ. So most of the pastors need the training and we welcome the DCI ministry.”*

DCI Nepal:

Imthy Jamir (he had his leg amputated after a motor bike accident last year) reports: *“By God’s grace, DCI has been a tremendous channel for reaching, preaching, winning, teaching and planting new churches. We are happy to take DCI to the next level. Last year God has been so faithful! Using*

the ideas of the DCI methods we planted 64 new Churches. We exposed 10,091 people to the gospel of which 1,532 have accepted Jesus Christ and of those 785 have been baptized. Teknath, one team evangelist has raised Rs 15,000 (\$350) and the local believers raised Rs 10,000 (\$240) This is enough to begin building their new church.”

I am encouraged to see that they are motivated and do not need or ask us to help them pay for their building!

Arunachal Pradesh India and Myanmar:

(There are anti-conversion laws there so I will not give his name) but he reports:

“With the team of 6 Evangelist we have exposed 1,266 people to the gospel, 583 accepted Christ, 258 were baptized, 95 were trained in DCI discipleship and 322 attend the 16 fellowships that they have established.”

They need help with the cost of printing of 3,000 discipleship and training books = \$1,550. They could also use a camera and a motor bike to enable them to get out to more villages. The cost for both is \$1,575. **You may want to encourage this very productive team!**

Lucknow, India:

Deven Pradhan reports: *“We have trained 66 leaders/Church Planters, exposed 23,015 people to the gospel, 2,423 accepted Christ, 1,326 have been discipled, 349 were baptized, 107 Leaders trained to train other people and 60 churches have been planted with a total attendance of 1,424 people.”*

Sikkim State, India:

Pastor Havil Rai reports: *“He is a second generation disciple and trained 61 third generation disciples in 2010. They have planted 15 churches, baptized 33 believers with a total attendance of 173. He is presently training 107 students in 6 centres in 4 districts of Sikkim using the DCI materials. His goal is to plant 500 new churches in the next 5 years!”*

These are only a few of the reports, but I am sure you will be encouraged as we are to hear the great things our God is doing through these dear people that you have enabled us to equip! Thank you for your generous support! You have made a great investment that is paying wonderful returns and is expanding God’s kingdom!!

India Sunrise Strategy

My goal for this trip to India was to firm up with the DCI Trainers that are working through the Leadership Training Centres their understanding of the Sunrise Strategy which is to mobilize enough disciple-making Churches in India and the other 5 countries where they work to reach every person with the gospel of Jesus Christ and to disciple all who receive Christ.

The newly developed **DCI Trainers Handbook** was greatly appreciated as it gives them the details that they need to do what they need to do at each level of responsibility.

I also hoped to set in place a structure that would facilitate that strategy. This is being set up at this time and I hope to hear soon who they have selected to fill the roles of the All India Sunrise Strategy Coordinator, Regional Directors and National Directors. Pray with us that God will lead them to choose those He knows will serve Him best.

Thank you for praying for Mary

Mary was not feeling well when I left for India, but she had a lot of work to catch up on so she kept going. We took a few days when I returned as we knew I would have 12 hours of time change to adjust to and Mary was also tired. We enjoyed a quiet time together and are now back at full energy. **Thank you for your prayers!**

Fund Raising Project

Before I left for India I challenged many of you to invest in the travel, translation and printing of materials to cover my trip to India as well as for several of our African DCI Representatives to equip new national leaders. We needed \$30,000. This was a lot of money, but Praise God He has provided almost all of the \$30,000 through your generosity!! I was not able to contact some of you before my trip, but now we have requests for several thousand more dollars. I will continue to try to contact you to see if you are interested and able to contribute at this time.

The money raised will enable several DCI Directors to equip new National DCI Directors and local Pastors and expand the disciple-making process across Africa!

Africa Sunrise Report

Thaddee Lombe our All Africa Coordinator has just completed a training (June 4-6) in Accra, Ghana with Evans Kwasi Ntim the DCI Regional Director and a new National Director Pastor Jean Mari Savadogo from Ouagadougou, Burkina Faso. They planned to train 50 to 60 local Pastors.

In July, Thaddee plans to go with Bernard Lumami from Namibia (DCI South West Regional Director) to Malawi to establish a team there.

In August, Thaddee plans to travel to Niger to equip and further train Abouh Magagi the new Regional DCI Director for the northern part of Africa.

Simeon Oyugi in Nairobi, Kenya (East Africa Regional Director) needs help to cover the cost of training 265 Pastors there. He had planned to train 50, but 265 showed up! Simeon says that the word is getting out!

Please pray for Alain Dontony our South Africa Regional Director as he travels to various cities to train pastors in South Africa and Botswana.

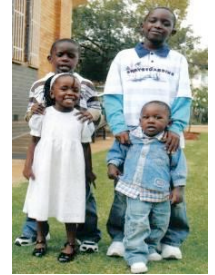

These are all very strategic trips and will open up several new regions and countries by God's grace and will greatly expand God's kingdom and bring Him great glory!!

Thanks to you and to God the money has been provided for all of these trips!

This of course will create an expansion of the ministry, but also the need for more translation and printing. Please continue to pray believing that God is leading this movement and that He will continue to provide all that is needed!

Pray too that we will not miss His leading as we plan for the future. We cannot do anything without Him!!

Pray for Zizina and her family in South Africa as they struggle to survive. We are helping with their support and working to bring them into Canada! She still has not heard anything from the immigration! **Pray for their safety and that the immigration process will move quickly! Thank you for praying for them!**

Tesfa Chutta has returned home to Canada from Ethiopia with his new wife and baby who are immigrating here. He plans to work with Ethiopian churches in the Toronto area.

Thank you for your vital partnership with us in this ministry we could not do it without you!

Your Brother and Sister in Christ,

Al & Mary
